

EXHIBIT SHARE | FOR PARTICIPATING PARTIES

GETTING STARTED CHECKLIST

YOU'VE BEEN INVITED TO A PROCEEDING UTILIZING EXHIBIT SHARE... BUT WHAT IS IT?

Exhibit Share is a platform that allows deposition participants to share, view, and download exhibits electronically. Follow the instructions below to participate.

1. SETUP YOUR ACCOUNT

(First Time Users Only)

Upon ordering Exhibit Share, you will receive two emails.

- **Invitation Email:** The first is a notification that you have ordered Exhibit Share for an upcoming proceeding and includes an overview of all of the steps necessary for access.

3. AT THE DEPOSITION

Once your Exhibit Share and MyVeritext are connected you will see a list of your Exhibit Share Cases.

- **Find the Marked Exhibits Folder:** Locate the current case and navigate through the folder structure to the **!! Marked Exhibits folder**. This folder will contain any of the exhibits that are marked during the deposition.

- **Refresh for New Exhibits:** When a new exhibit is introduced, refresh the page by double clicking the **!! Marked Exhibits folder** or by refreshing your browser.

- **View Exhibits:** Upon refresh, newly introduced exhibits will appear. To view the exhibit, simply click on the file name to launch the file viewer.

4. DOWNLOAD COPIES

In the exhibit viewer, users can use the upper toolbar to download copies to their device. Once finished, users can use the back arrow in the upper left to return to the **!! Marked Exhibits** folder.

5. PREVIOUSLY MARKED FOLDER

- **Find the Previously Marked Folder:** This folder will include subfolders for each deposition taken in this case that utilized Exhibit Share.
- Each deposition folder will contain the exhibits previously marked in the case, allowing deposition participants to reference and utilize case exhibits as needed.

6. BATCH DOWNLOAD ALL EXHIBITS:

Exhibit Share includes a convenient feature that allows users to download all exhibits in a folder with only three clicks.

- **Select Exhibits:** In the **!! Marked Exhibits folder**, check the box next to Item Name in the upper left and a new menu will open up. Select your desired exhibits.
- **Download Exhibits:** Click “Download” and a zipped folder of all the **!! Marked Exhibits** will be placed on your computer.
