

MICHAEL MURRAY

Veritext Director of Technical and Creative Solutions

Michael Murray is the Director of Technical and Creative Solutions for Veritext. His technical expertise includes proficiency in legal applications such as LiveNote, Summation, Sanction, TextMap and more.

As the former president and founder of the realtime software company, Transcript Manager Pro, he has also become an integral and influential member of the Veritext product development team.

This team is dedicated to examining industry and technological trends in order to create leading edge programs and applications for the benefit of both clients and employees. Some of these recent developments include:

- **Veritext Virtual:** A cost-effective and convenient way to conduct remote proceedings.
- **Exhibit Share:** A user-friendly tool for the electronic sharing of exhibits.
- **MyVeritext Snap Scheduling:** A drag and drop function to assist clients in the instant scheduling of proceedings.
- **Veritext Mobile:** A deposition scheduling application for iOS and Android users.

In addition to foreseeing litigation technology trends, Mr. Murray travels throughout the nation providing informative and entertaining CLEs, educational instruction and product demonstrations to legal professionals. Under his direction, Veritext's CLE program was recently voted the nation's second-best online program by *The National Law Journal*.

He's also enjoyed opportunities as a featured speaker for several legal organizations including: Legal Secretaries Incorporated (LSI); San Diego Legal Secretaries Association (SDLSA); Orange County Legal Secretaries Association (OCLSA); National Association of Legal Secretaries (NALS); the Alameda Bar Association, and numerous other Paralegal Studies programs. Mr. Murray earned his B.F.A. at The Art Institute of Chicago.
