Michael Murray
Veritext Director of Client Solutions

Michael Murray is the Director of Client Solutions for Veritext Legal Solutions. His technical expertise includes proficiency in legal applications such as LiveNote, Summation, Sanction, TextMap and more.

As the former president and founder of the realtime software company, Transcript Manager Pro, he has also become an integral and influential member of the Veritext product development team. This team is dedicated to examining industry and technological trends in order to create leading edge programs and applications for the benefit of both clients and employees. Some of their recent developments include Veritext Mobile, a deposition scheduling application for iOS and Android users, as well as Veritext Virtual, a cost-effective and convenient way to depose inaccessible witnesses via laptop.

In addition to foreseeing litigation technology trends, Mr. Murray travels throughout the nation providing informative and entertaining, CLE's, educational instruction and product demonstrations to legal professionals. He has also been a featured speaker at several legal organizations including: Legal Secretaries Incorporated (LSI), San Diego Legal Secretaries Association (SDLSA), Orange County Legal Secretaries Association (OCLSA), NALS, the Alameda Bar Association, and numerous other Paralegal Studies programs.

Mr. Murray earned his B.F.A. at The Art Institute of Chicago.

Veritext provides superior court reporting and litigation services to the legal industry. With a proven track record of industry excellence, Veritext is the established leader in providing technology-driven deposition and litigation support services to law firms and corporations.
